## NOTICE

To celebrate National Science Day, 2023 on 28<sup>th</sup> February, 2023, a **poster presentation session** by our students will be observed before laboratory visits. So, all the HODs of both Arts and Science departments are hereby requested to inform their students to **prepare posters** (maximum 2 per department) on **basic sciences** for the school students (from class IX to XII).

The preferred size of each poster should be 2.5 ft X 1.5 ft (one full scape art paper size). The last date to confirm about poster preparation and presentation is 25<sup>th</sup> February, 2023. Atleast two students from each department can present their posters on 28.02.2023.

Please contact with the conveners of Poster Presentation subcommittee Dr. Dinesh Halder & Dr. Sandipan Gupta for more information.
