

Celebration of National Science Day on 28th February, 2023

National Science Day is celebrated in India on February 28 each year to mark the discovery of the “Raman effect” by Indian physicist Sir C. V. Raman on 28th February, 1928. For his discovery, Sir C.V. Raman was awarded the Nobel Prize in Physics in 1930. To celebrate this day our esteemed institution celebrates this day every year. In this year also, our students from all three semesters of all the Science departments of our esteemed Brahmananda Keshab Chandra College were actively participated in the National Science Day Celebration on 28.2.2023 at our college premises. The faculties of both Science & Arts departments also actively participated in this programme.

Every year we invite our neighbouring schools to come at our college to visit the science laboratories mainly. This year we invite 10 schools located in the adjoining areas of our college and each school send 8-10 students mainly from class 9 and class 11 with their respective teachers. We had arranged 3 lecture sessions at first half where our three respected faculties Dr. Indranil Chattopadhyay, Dr. Sandipan Gupta and Dr. Kartik Nandi gave lecture on ‘Modern Science’, “Fishy Talks” and live demonstration on ‘Chemical Magic, respectively. We have also arranged a quiz competition session on science for the school students. Scientific posters prepared by our students were also displayed and demonstrated in front of the school students and teachers. After a lunch break, the laboratory visit programme was arranged according to our programme schedule. With great enthusiasm and vigour, our students interact with school students and teachers through demonstrations, practical works, presentations and hands on applications. We felicitated the respective visiting school students and teachers with a memento and certificates at the end of laboratory visit. They also gave a positive feed-back about this programme. The programme was ended with valedictory lecture of the respected secretary of this programme.

Brahmananda Keshab Chandra College
 NAAC Accredited Govt. Sponsored Degree College for UG & PG
 Affiliated to West Bengal State University
 111/2, B.T. Road, Bon Hooghly, Kolkata- 700108

Celebrates
National Science Day, 2023
 On
28th February, 2023
 10:00 a.m. onwards
 Room No. 117
 Organized by Internal Quality Assurance Cell (IQAC), B.K.C. College

About this Programme: National Science Day is celebrated in India on 28th February each year to mark the Noble Prize winning invention of 'Raman Effect' by Indian Physicist Sir C. V. Raman on 28th February, 1928. This year we are going to celebrate this occasion in our college premises on 28th February, 2023 from 10:30 am onwards. The basic objective of this programme is to popularize scientific ideas amongst school students and highlight the scientific aptitude of our students. The program includes popular talk and live demonstration on basic sciences by faculty of the college followed by Quiz and departmental laboratory visits with experimental demonstrations.

PROGRAMME SCHEDULE

Registration	10:00 am - 10:30 am
Inaugural Ceremony	10:30 am-11:00 am
Popular Lecture	11:00 am - 11:30 am
Live demonstration with interaction	11:30 am - 12:00 pm
Quiz	12:00 pm - 12:45 pm
Lunch Break	12:45 pm - 1:30 pm
Laboratory visit cum hands on demonstration	1:30 pm - 4:30 pm
Valedictory Session & Prize Distribution	4:30 pm

Chairperson- Prof. Papia Chakraborti (Principal)
 IQAC Coordinator- Dr. Sheikh Ahmed Hossain
 Jt. Organizing Secretary: Dr. Sourav Sikdar & Smt. Susmita Halder

Contact Details: 7003919030, 9903037370

N.B.: Please confirm the participation of your institution latest by 25th February, 2023

Our Respected Principal Madam delivered her inaugural lecture

A token of appreciation to our Respected Principal Madam

Live demonstration on Chemical Magic by our respected faculty Dr. Kartik Nandi

Lecture on Modern Science by our respected faculty Dr. Indranil Chattopadhyay

Lecture by our respected faculty Dr. Sandipan Gupta

NSS volunteers of our college were actively participated at this programme

Scientific posters prepared by our students were also displayed and demonstrated in front of the school students and teachers

Students from different Science Departments demonstrated the practical based informations to the invited schools stuentns

The full team of B.K.C. College to celebrate National Science Day, 2023
