An add on course on the cultivation of edible Mushroom was undertaken by the department of Botany, B.K.C College which was inaugurated by the Principal of the college on 09.12.2022. A total number of 9(nine) students of different streams were participated in the said course which was commenced on and from 19.12.2022-11.01.2023, covering 38 hours duration. An edible mushroom *Pleurotus ostreatus* var. *florida* was cultivated in paddy straw maintaining all the environmental parameters and safety measures without using chemicals and synthetic fertilizer. A huge quantity of fruit body was procured which signifies the success of the said endeavor. Evaluation of the students was taken on 13.04.2023.
