

COURSE COMPLETION REPORT OF THE ADD ON COURSE

CERTIFICATE COURSE ON “INTELLECTUAL PROPERTY RIGHTS (IPR)”

Course Coordinator (with Email and Mobile):

DR. PRIYANKA DHAR, ASSISTANT PROFESSOR IN BOTANY, drpriyankadhar@gmail.com, 8697377233

Course outcome:

This course covers the fundamental aspects of intellectual property (IP), enforcement of IP rights and emerging issues in IP. It also provides a framework to foster innovation and creativity in the areas of technology, sciences, and humanities by nurturing new ideas and research, in an ethical environment. The emerging field of intellectual property has given rise to many important issues that influence our daily life very closely. With globalization of markets, these issues have taken the lead to drive our economy now as never before. India, being signatory to international treaties like TRIPS Agreement, has to follow many of the IPR protection norms.

This course inculcated the spirit of creativity and innovation to students of higher education (UG/PG students) and ignited and inspired them to innovate and protect their creations by translating their creative and innovative work into IP rights. Therefore, the first season of this add on course on IPR was successful in education a good number of student participants from both UG and PG levels. As informed citizens, the students got the opportunity to be aware of the international and national scenario in the IP regime.

Program schedule:
