

A Report on the one-day Orientation Program on “Translational Research and Bio-entrepreneurship”

Date: 16th November, 2022

Venue: Brahmananda Keshab Chandra College.

Time: 2:30 pm to 5:00pm

A “one day” orientation session was held at Brahmananda Keshab Chandra College on “Translational Research and Bio-entrepreneurship”. The program was organized jointly by the Research Monitoring Committee and the Institute’s Innovation Cell (IIC) of the College. Dr. Saptarshi Chatterjee, Chief-Coordinator and Principal Project Investigator BIRAC, E-YUVA Center, Adamas University, Barasat and Dr. Mousumi Saha, Project Coordinator, E-YUVA Center, Adamas University served as the resource persons. The Program was coordinated by Dr. Sourav Sikdar and anchored by Dr. Neelakshi Sarkar.

The session was held in room 117 of the college. It started with an introductory speech and welcome address by Dr. Papia Chakraborty, Principal, BKC College, Kolkata. Dr. Saptarshi Chatterjee and Dr. Mousumi Saha were then felicitated by the principal and Dr. Kartik Nandi respectively. Dr. Chatterjee delivered a wonderful speech on Translational research and innovation. He emphasized the process of turning ideas into real applicable projects and discussed BIRAC and the procedure of fellowship application. He introduced the concept of ‘design thinking’ and put forward numerous examples of successful Entrepreneurs. The resident E-YUVA fellow team along with their mentor Dr. Sourav Sikdar was applauded for their achievements after which Dr. Mousumi Saha engaged in an interactive session with the attending teachers and students.

A total of 94 students and Teachers participated in the event. This included 22 participants from Prashanta Chandra Mahalanobis College who were also invited to the session. The program ended with a vote of thanks by Dr. Sourav Sikdar.

In conclusion, the orientation program was very successful as it imparted knowledge to teachers and especially students on the scope and future of “innovative Thinking”.
