1.4.1 Feedback on the syllabus and its transaction at the institution:

STUDENTS' FEEDBACK

To analyse and improve the academics of the Institution, feedback from students (in the form of student satisfaction survey) is taken regarding the syllabus and its transaction. For each of the statement in the feedback form, they have given a score out of five options (five-point scaling system).

This report is based on feedback taken from students regarding Teaching – Learning and Evaluation. All UG semester students (CBCS curriculum) and PG students were requested to respond to all the questions given in the following format with their sincere effort and thought. However, as participation in the feedback process was optional, only 257 of them participated and gave their opinion regarding Teaching – Learning and Evaluation. Summary of the student satisfaction survey-2022-23 is as follows:
