Some observation / suggestions:

- I am satisfied with the overall teaching learning in my institution.
- We need more excursion in practical based subject
- Teachers are very friendly and helpful. Study materials are Informative.
- Make connections to real-world applications of the course material.
- I would like to request: 1. Increase in number of doubt clearing classes 2. Also increase in number of webinars for us students to explore more different topics 3. I also think we should be made well aware of future prospects and job opportunities we can get and also guidance on applying for such jobs.
- I'll request my teachers to start those online classes from a particular application. It's tough to attend various classes through various applications.
